Code Modification for  
Consultant Qualifications Coding

~~1. Form No. \_\_\_\_\_, (name of Form), will be used in the coding of~~  
qualifications of ~~covert and semi-covert consultants and experts.~~ The  
Employee Qualifications Code will be utilized with the modifications  
listed below:

~~1. a.~~ In the heading of ~~Form No. \_\_\_\_\_~~ <sup>the coding sheet,</sup> the following entries  
will be made:

a. ~~(1)~~ The serial number of ~~each~~ <sup>the</sup> consultant ~~and expert.~~ <sup>or expert, being coded.</sup>

<sup>This</sup> The serial number will be obtained from a machine run of the  
status record of consultants and experts to be supplied through <sup>By</sup>  
the <sup>Planning and Analysis Staff.</sup> ~~Plans, Research, and Development Staff.~~

b. ~~(2)~~ In coding the name, only the first three letters of  
the last name will be used.

c. ~~(3)~~ The date of completion of each code sheet may be entered.  
It will not be transferred to the IBM cards.

~~2. b.~~ In Column 14, Sex, the Employee Qualifications Code will be  
modified as follows:

Code 1 male - no dependents  
Code 2 male - dependents  
Code 3 female - no dependents  
Code 4 female - dependents

3. ~~a.~~ In Column 15, Type of Contract, the following code has been  
added:

Code 1 consultant  
Code 2 expert
